African Violets -- Unusual House Plants
Spring 1954 List

All plants are state inspected and shipped in pots. Small plants are 2½ and 3 inches tall. These ship best and keep on growing. Give other varieties in which you are interested, if plants are smaller than usual I include an extra plant or a larger size. Leaves rooted and potted the same as small plants, add 15¢ to price of fresh cut leaves. In all orders \$10.00 or over we will include extra plants or cuttings or both.

Many other varieties are available in too small quantities to list. Ask about any others you are interested in. Any questions on varieties will be answered if stamp is enclosed. Substitutions will be made unless instructions are to the contrary.

An extra list of later varieties will be ready in July. Send stamp with request for list.

Due to the increased parcel post rates we cannot continue to sell plants for 60 and 75¢ an pay parcel post fee so every order must be accompanied by a mailing fee of 75¢ for insured parcel post or \$1.00 for Special Handling or Special Delivery. State which you desire. No orders sent without mailing fee.

Directions for finding Flower Haven - 5 miles west of Freeport on Route U. S. 20, turn north (right), ¼ mile, first house on the right.
